### PLANT GUARANTEE:

Our goal at Freshwater Farms is to provide quality materials and service at competitive prices while providing customer satisfaction at the highest possible level.

### GUARANTEE:

Stock installed by Freshwater Farms and paid for at full retail price is guaranteed for one year from the planting date. Labor to reinstall the material will be billed at our normal hourly rate.

Stock planted by the customer is guaranteed for a period of 90 days from date of purchase.

- The value of the guarantee is limited to the purchase price of the specific plant.
- A detailed register receipt is required unless we have the detail as part of a delivery.
- Because we cannot control site conditions, replacement without cost is carried out only once.
- This Plant Guarantee applies to Nursery Stock (Trees and Shrubs) only.
- Sorry, there is no guarantee on sod, annuals, perennials, bulbs, roses or houseplants.

**SALE ITEMS ARE NOT GUARANTEED**
